## SAGS LOWER.

While Sugar and a Few Specialties Advance the Standard Railway Shares Sell Off.

Wall Street, March 17. Aside from a few specialties, the general narket was inclined to weakness to-day, settling down toward the close in partionlar to lower levels. Sugar again afforded the feature of the trading, advancing at one time 8% points to 167%, subsequently WAR STORY SEEMS PLAYED OUT, selling off with the balance of the market o 164%, showing a net gain of 5 points. Officials of the various companies in the A Big Buyer of Sugar Stock Offers sugar trade were as positive in their denials of a definite arrangement having been reached between them as were the Tobacco people when rumors were circulated coincident with its recent advance that the

Days.

There is more in the boom in Sugar stock than mere manipulation to squeeze the shorts. The Wall Street crowd was agreed on this point yesterday, when Thursday's advance was maintained, and more, the close at 164 showing a net gain of five points. While the general market was off, Sugar remained firm—a condition unknown except when such an advance has a legitimate basis.

The tape tells the story,' said S. V. White after the close of the Exchange. 'If there were not a real basis for the advance of yesterday Sugar stock would not have remained strong and steady as it has, No mere movement to squeeze the shorts could produce this result. As to what the solid produce this result. As to what the solid basis for the advance and the continued streng and steady as it has, No mere movement to squeeze the shorts could produce this result. As to what the solid produce this result of the market, but there are some I know who are in protty deep, yet they don't seem to know any more about it than the rest of us."

Mr. White's fra
